The completion and submission of this document to Inovonics is written notification to Inovonics that **the Property Owner** is allowing Inovonics to share data from the site submetering Data Collector Concentrator (DCC) or Remote Data Logger (RDL) with a company who is not the existing billing service company. This providing of data is for one time only. Inovonics **will not** change the passwords in the DCC/RDL site data collector/remote data logger and the existing billing service company will continue to have full access to the DCC/RDL.

This is acknowledgement that the DCC/RDL is <u>not</u> the property of the existing billing service company.
